Dear Mr. Johns,

Re: National Cycling Strategy

The Village of Cumberland Council unanimously adopted the following resolution at the May 8, 2017 regular meeting of Council:

THAT the Village provide a letter of support to MP Gord Johns for Bill C-312: An Act to Establish a National Cycling Strategy.

Cumberland is a popular destination for mountain biking, but our residents and visitors would be better served if the federal government establishes a National Cycling Strategy. In addition to promoting cycling for all purposes, we look to this strategy to strengthen regional and Vancouver Island-wide cycling connections, provide more education about cycling, and promote cycling-friendly infrastructure.

Yours sincerely,

Leslie Baird
Mayor
