

Petition calling on the Government of Canada to keep its promise on electoral reform.

We, the undersigned residents of Canada, draw the attention of the Government of Canada to the following:

- **THAT** Canadians deserve a fair voting system where every vote counts and our voices are always heard;
- **THAT** two-thirds of Canadians voted for parties promising electoral reform in the last federal election;
- **THAT** nearly 90% of experts and public testimony at Parliament’s consultations called for a proportional voting system where the number of seats in Parliament a party receives is proportional to their share of the popular vote;

THEREFORE, we call on the Government of Canada to keep its promise to Canadians, endorse the recommendations of the all-party committee on electoral reform, and make 2015 the last federal election conducted under first-past-the-post.
