# Petition to Save MCTS Comox & Reopen MCTS Tofino

**We, the undersigned residents of Canada, draw the attention of the House of Commons to the following:**

**WHEREAS** the Harper Government's closure of Canadian Coast Guard Marine Communications and Traffic Services Centres (MCTS) in Canada was approved without local consultation, a proper risk assessment, or consideration of increased threat to costal communities;

**WHEREAS** the remaining stations are located in Tsunami Zones leaving the entire West Coast vulnerable in the case of a major seismic event;

**WHEREAS** the recent loss of life following the sinking of the Leviathan II off the coast of Tofino reinforces the importance of having eyes and ears on the ground;

**AND WHEREAS** the new Liberal Government promised to restore the Coast Guard's ability to respond to marine emergencies and reopen marine communications centres closed by the Conservatives;

**THEREFORE we call on the Government of Canada to immediately stop the closure of Comox MCTS Centre and reopen the Tofino MCTS Centre in Ucluelet.**
