

# Petition for the automatic Guaranteed Income Supplement (GIS) enrolment

**We, the undersigned residents of Canada, draw the attention of the House of Commons to the following:**

**THAT** the federal government recently announced the launch of the automatic enrollment process for seniors to the Guaranteed Income Supplement (GIS) but that the latter will not be applied to every eligible person when they turn 64 year old;

**THAT** GIS is an important federal program which allows seniors who receive Old Age Security and who have a low income to be able to count on an additional income;

**We call upon the Government to extend the automatic enrolment of Guaranteed Income Supplement (GIS) to all seniors.**
